

SMART TRACK TEES

SMART TECH PAKISTAN PRESENTS

SMART TRACK TEES

- Smart Track Tee is a revolutionary bay divider that was created to increase customer satisfaction.
- Integrated ball flight monitor provides instant analysis that golfers will use to improve their game.
- Track Smart Tee reviews the distance and speed of each shot.
- Track Smart Tee creates a very unique and effective practice experience that is good for the golfer and the range.
- This is a new product, which will change the Golfing Experience in Pakistan.

SMART
TRACK TEES

MARKETING ON SMART TRACK TEE

- Smart Track Tee engages advertisers who wish to target a upper class Audience for their Brand.
- Our unique removable advertisement panel is attached to both sides of the, unit for print advertisement.
- Brands can take advantage for these uniquely Placed tee dividers at Top Golf Clubs of Pakistan.
- This is the new way of brand placement, the *Creme de La Creme* of advertising.
